

Newcastle 31. July 1814

Sir Since my communication to you on the 23. Inst. I have been directed by the Adjutant General to order the Lieutenant Colonels in this Brigade "to make out & forward" "to me immediately a complete roll of the names, numbers & classes of the men under their command, designating the Companies to which they ~~belong~~ are attached," in order that they may be transmitted to his office.

You will therefore without delay, furnish me with a roll of this description. — The returns that I called on the Captains in your Regiment for, on the 23. Inst. you will receive from them, to enable you to make out your return, and direct them that it is unnecessary, from the last orders of the Adj. General, to send them to me. —

The President of the United States has called on the Commanders in Chief in this State to organize a militia force of 900 Infantry and 100 Artillery, to be held in readiness for immediate service.

As Volunteer Uniform Companies would be preferred by the President, I am directed to instruct you that they will be cheerfully received by the Government as a part of this requisition. By order of the Adj. General

David Nixon Esq.

Lt. Colonel 2. Regt.

I enclose Capt. Boldin's return which he had very promptly forwarded. J. P. Halk.

Extract Governor Aguilar

Lewes 19th Aug. 1864.

Sir I have the honor to acknowledge the rec^d of yr Letter of the 20 & 22^d of July. Lt Col. Davis arrived at Lewes the 3^d instant and is endeavouring to raise a Comp^y of Sea Fencibles, about 30 have entered. One Company of the Detached Militia, which you Authorized me to Station at Lewes is now filled up and Col Davis informs me that Major Charles Hunter will attend to Muster and inspect them. If it meets your approbation, it is my intention to postpone calling out the Comp^y of Militia to St Castle for the present, as the enemy have no force now in the Delaware, and one Frigate only has been Cruising off the Cape for three weeks past. A number of Gentlemen of St Castle have also represented to me that a considerable force is now stationed there, as a place of rendezvous viz. The crew of the Guerrier, the flotillas and Major Stockton recruits amounting it is supposed to three or four hundred men. The organization of the Reg^t to be held in Washington agreeably to the orders of the 14th July is in a state of forwardness. I shall cause a Return thereof to be forwarded to the Dep^t of War as early as possible

I have the honor &c.
