The Guard owing to the return of the day
preventing the officer from going about and obser-
-ving, their conduct when on Post passes
no doubt many of the soldiers out who bring
- in a quantity of Liquor - both to the Guard
and Camp which produced consequently great
disorder in Camp. The evil is not yet at
an end for our half of the men are denied
the Liquor must be obtained by selling the clo-
thing the Store Keep - as the factors of the road
who I am told is in the habit of purchasing
of them -
