United States Senate,

OFFICE OF THE PRESIDENT PRO TEMPORE.

WILLARD SAULSBURY,
SENATOR FROM DELAWARE.

February 6th, 1919.

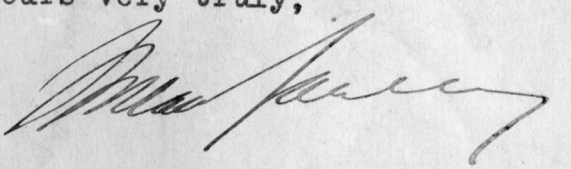
Walter G. Tatnall, Esq., Archivist,
The Public Archives Commission of Delaware,
Wilmington, Delaware.

Dear Mr. Tatnall:-

In getting together many papers, &c., around my office, I find in my files the lot of photostats and other matter contained in the package of papers sent by you to me in connection with the desire to secure from the War Department the original papers bearing on the subject.

You can readily appreciate how impossible it has been to take up successfully a matter of this character with the Department during the past year and a half and it was suggested that the matter be let go over until the War Department gets settled again into its general routine, when the matter could probably be successfully taken up. Rather than hand them over to anyone else, it seems to me the best way would be to return them to you and in a few months time, after the present confusion is relieved and matters at the War Department have quieted down, you can have one of our Delaware representatives take up the matter actively I think with promise of success. If you will acknowledge receipt of these papers, I will appreciate it.

Yours very truly,



gc-Ta

Walter G. Tatnall, Esq., Archivist,
The Public Archives Commission of Del.,

Dear Mr. Tatnall:-

I beg to acknowledge the receipt of your favor of March 8th enclosing copy of House Concurrent Resolution No. 6, of the Delaware Legislature, with letter from the Secretary of State pertaining thereto, to be used in connection with the proposed return of the papers belonging to the state now in the War Department at Washington. I note you state an itemized list of papers will be sent me upon request and I suggest that you put me in possession of everything that you have bearing on the subject so that I will be prepared to go into the matter fully when taking it up with the War Department, which I hope will be done successfully.

Yours very truly,

Mr. Walter G. Tatnall, Secretary,

Dear Mr. Tatnall:-

I am duly in receipt of your favor of March 2d and note especially what you write concerning the possibility of getting from the War Department all of the Delaware State papers sent there as vouchers for the 1812 War claim and which have never been returned. I shall be glad to be of any assistance that I properly can in furthering this matter and suggest that you have sent to me a certified copy of the resolution passed by the last legislature and I will endeavor to get the matter started.

In accordance with your advices, I send you herewith the check for $250. which completes the payment of stated subscription to the Caesar Rodney Statue.

Yours very truly,
