State here any facts of historical interest concerning the record of ancestor after the close of his service ; also any statement of your own personal record that you may desire to make ; such as other societies, with which you are connected, where you were educated, what business you may have been occupied in, your military record, if any, or any other facts that you may wish to give that may be of interest.

Address: "Chief of the Record and Pension Office, War Department, Washington, D. C."

**Record and Pension Office,
WAR DEPARTMENT,**

Washington, November 11, 1901.

Respectfully returned to

Mr. W. G. Simmons,
Wyoming,
Delaware.

Neither the name Noble Simmons nor the name Shube Rundall has been found on the rolls, on file in this office, of any organization of New York or Continental troops in service during the war of the Revolution.

It is proper to add, however, that the collection of Revolutionary war records in this office is far from complete, and that the absence therefrom of any name should not be accepted as conclusive evidence that the person who bore the name did not serve in the Revolutionary army.

It is shown by the records that one Noble Simmons served as a private in Captain John H. Gregory's Company of Lieutenant Colonel Putnam Farrington's Regiment of New York Militia, war of 1812. His name appears on the rolls of that organization for the period from September 8 to December 10, 1814, with remarks: "Commencement of service, September 8, 1814; Expiration of service, Dec. 7, 1814; Time charged, 3 months; Residence, Middletown, Delaware Co., 150 miles; This Co. was discharged on the 30th Nov."

No further information relative to his service has been found of record.

The name Shube Rundall has not been found on the rolls, on file in this Department, of any volunteer military

military record, if any, or any other facts that you may wish to give that may be of interest.

Sir

Mr William Adgate Supercargo of my ship
Good Friends from Amelia Island, informs me that while
that ship was proceeding to this City agreeably to the
Coast way Clearance which she had on board, that she was
seized by an Officer of your Custom & brought to New Castle.
In addition to the several Circumstances attached to the
causes which have brought that ship into the River Delaware
I have long ago informed Congress, the Secretary of State
& the Secretary of the Treasury of the arrival of that ship
at her last port of her departure, also of the Articles composing
her Cargo, and the Amount thereof, consequently, there could
be no Intention on my part to violate the Laws of our
Country.

I am with Respect

Your mo: ob Ser^t

(signed) Stephen Girard

Allen M^cLane Esq^r
Collector of Del: Dist^t
Wilmington.

Cedar Creek Sussex May 7th 1813

Dear Sir,

I Received Your several communications and
Note the contents, I regret very much I was absent
from home when Yourself & M^r. Riddle was at my
House I should have been happy to have seen you -
the application made by the Military Council of
Newcastle for the sum of five thousand Dollars being
part of the money directed by the Legislature to be applied
in defending the State against the common Enemy
cannot at this time be furnished for the following reason,
the pay & rations of the officers and Men who have been
in the service of the State for near two Months are not
yet paid, those claims together with others which must be
immediately discharged will reduce the sum directed by
the appropriating act so much that the sum required
by the Military Council cannot I presume be furnished.
it is my wish to do any thing that is practicable
and consistant for the safety of your place the Legislature
will soon be in Session and should the Gen^l. Governmt
render you no aid in defending your Town previous
to the commencement of the Session- I shall certainly
call their attention particularly to this subject, You may
however in the present moment of danger conceive that all
this is doing nothing, I would beg leave to observe to
you on the present emergency the imediate necessity of
your compleating the fortifycations at your place and
depending on a remuneration either from this State or
the United States. my impression at present is,

that your Town will be attacked by the Enemy
and that probably in a short time, you should
be on the alert I feel for you much.

In reply to your application for a military
appointment I have to observe to you that there is
not such an officer as Colonel of Cavalry recognised
in our Militia law it would afford me infinite
pleasure to confer an appointment on you that would
be acceptable to you and which could consistently
be done.

You will please to excuse my not writing
before this, a press of business has prevented

in great haste, I am with great Respect

Your Obed^t Hble Serv^t.
